

# Bonfire night

This is Guy Fawkes.

He did not like the king. He made a plot to kill the king.

Guy Fawkes and his friends made a secret plan.

They planned to blow up the Houses of Parliament.

They hid gunpowder  
in the cellar.

The guards got Guy  
Fawkes just in time!!

The Houses  
of Parliament  
were safe.

We have  
fireworks to  
remember this  
story.
